TAPE PRODUCTS:

The Planning Information Center of the Minnesota State Planning Agency offers election returns on computer tape or diskette. Data includes voter registration, votes received by candidates, type of voting system used, and boundary change within precinct since last election. Federal, state and multi-county races are reported. Data is by precinct and may be summarized to city, county, legislative district and congressional district. Contact the Planning Information Center for information about creating maps, reports, and graphics using election return data.
